

	Wednesday, 15 March	Thursday, 16 March	Friday, 17 March	Saturday, 18 March		
08:00					08:00	
08:15		Industry sponsored breakfast symposium	Industry sponsored breakfast symposium		08:15	
08:30	Industry sponsored symposium				08:30	
08:45					08:45	
09:00					09:00	
09:15		Session 2: Genomic and transcriptomic landscape and ctDNA for disease monitoring and risk stratification	Session 6: Locoregional treatment of early breast cancer I	Session 10: Global perspectives on breast cancer treatment	09:15	
09:30					09:30	
09:45					09:45	
10:00	Industry sponsored symposium	Session 3: Immunomics in early breast cancer: Where do we stand?	Session 7: Locoregional treatment of early breast cancer II	Session 11: Optimizing treatment in patients with ER positive breast cancer	10:00	
10:15					10:15	
10:30					10:30	
10:45					10:45	
11:00					11:00	
11:15					11:15	
11:30	Industry sponsored lunch symposium	Industry sponsored lunch symposium	Industry sponsored lunch symposium	Debate 4: Surgery in mBC Special Special Lecture 2: Pushing boundaries for cure	11:30	
11:45						11:45
12:00						12:00
12:15					12:15	
12:30				St. Gallen international Consensus Session	12:30	
12:45					12:45	
13:00	Opening and award ceremony	Special Lecture I	Debate 2: Axillary dissection versus axillary radiation			13:00
13:15					13:15	
13:30		Session 4: Hereditary Breast Cancer	Interactive Session 3: Axillary Management		13:30	
13:45						13:45
14:00	Session 1: News since St. Gallen 2021	Session 5: The future treatment landscape in the adjuvant setting	Coffe Break		14:00	
14:15						14:15
14:30						14:30
14:45				St. Gallen international Consensus Session	14:45	
15:00			Session 8: Optimizing treatment in patients with HER+ positive breast cancer		15:00	
15:15					15:15	
15:30	Coffe Break				15:30	
15:45					15:45	
16:00	Interactive Session 1: How to avoid unnecessary mastectomies - US, EUR, RoW	Debate 1: Anthracyclines: Do they still have a role in adjuvant therapy?	Session 9: Optimizing treatment in patients with triple negative breast cancer		16:00	
16:15					16:15	
16:30			Interactive Session 2: Optimal adjuvant therapy			16:30
16:45					16:45	
17:00			Debate 3: pCR after neoadjuvant: need adjuvant antibody-based treatment?	Farewell	17:00	
17:15					17:15	
17:30					17:30	
17:45	Welcome Aperó	Industry sponsored symposium	Industry sponsored symposium		17:45	
18:00						18:00
18:15						18:15
18:30					18:30	
18:45					18:45	
19:00					19:00	
19:15					19:15	
19:30					19:30
